

# 2020 HIGHLIGHTS

At the beginning of 2020, Pinelake was on a record setting course for attendance, missions participation, community outreach and more. When the unpredictable events of COVID-19 played out, we were honored and encouraged by each of you who stepped into our call to Be the Church. Thanks to your generosity and servitude, we continued to spread God's message of love and hope across Mississippi. Even during a pandemic, our Pinelake family was dedicated to growing in our faith, connecting with our neighbors, spending time with God in prayer and sharing our gifts, goods and the gospel with our communities.

COVID Hits US

Spring Break

## Legacy Summit

The greatest legacy we leave may not be something we do but someone we raise. At the Legacy Summit, 1,800 attendees across all campuses received practical help on how to raise the next generation to be spiritually and emotional healthy in the digital and social media age.

## Online Campus Launch

The building may have closed but the Church did not. In March 2020, when the hard decision was made to hold only online worship services we were in a new frontier of ministry. Our response was to launch our Online Campus. Over the first 3 weeks over 61,000 viewers joined us online for worship. A dedicated team of online ministers formed and we were reminded that God hears all prayers — even if they are through a chat room.

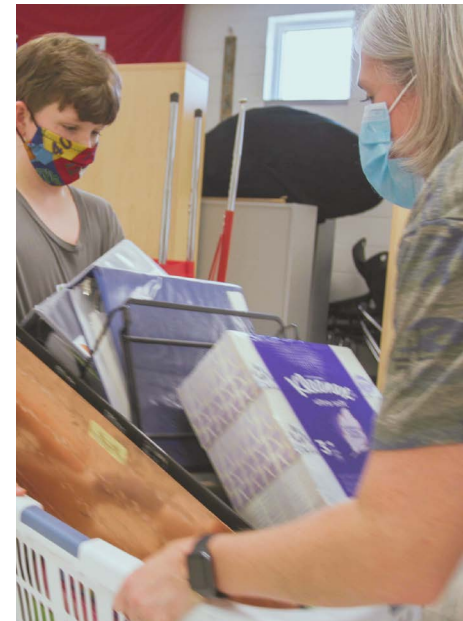

## Staying Connected

In a season when isolation ruled, our staff worked tirelessly to make connections. We found solutions for small groups that allowed them to meet via video, and created space online to find guidance from the Word on how to navigate the difficult season. Our PL College, Pinelake Kids and Worship Teams each created resources to equip families and individuals to continue growing spiritually. We even personally called all 13,270 people to check in on them and see how their church family could support them.

## Be The Church Launches

Church isn't just something you go to. This year we decided to take our calling seriously to be the church and live differently by taking the church outside our four walls, serving our community and changing lives. Through thinking differently we were able to continue serving our neighbors, families, and friends. We offered encouragement and support to our front line workers. We lended a helping hand to our educators. We supplied food for our neighbors. We moved toward getting emotionally healthy. God and his church never stopped.

## God is Always on the Move

God continued to move in hearts this year. In September we were blown away to witness 156 people across five campuses go public with their faith at Identify, our annual outdoor baptism. Throughout the year 281 people recognized baptism was their next step and they obediently walked out their faith for the world to see. COVID couldn't stop the life changing power of God!

Worship On Campus Resumes

# THANK YOU

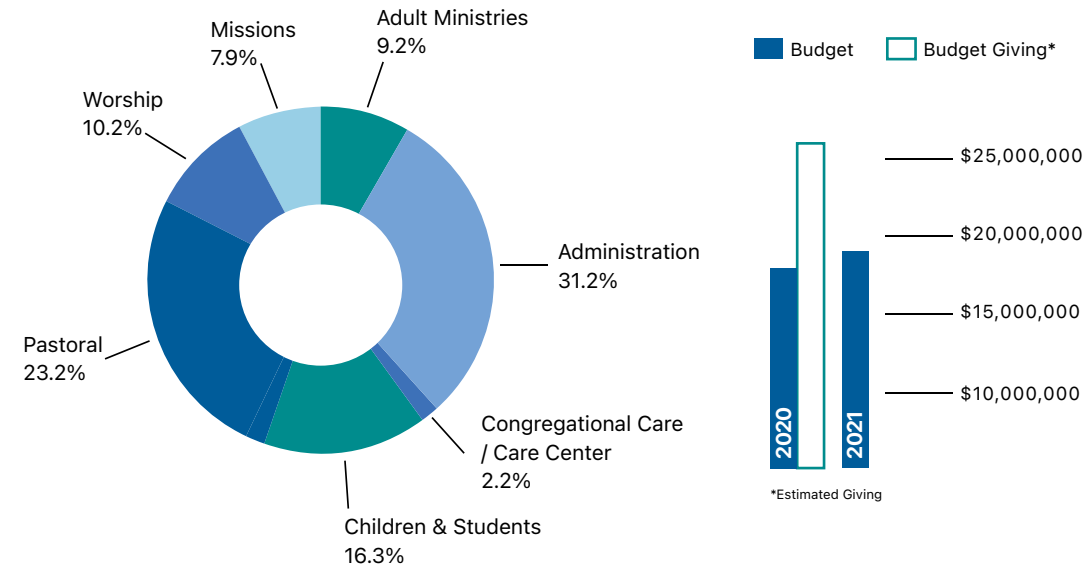

As we look to 2021, we have a renewed hope and faith that whatever may come we serve a God who honors His promise to always love us. His presence is steadfast and our salvation secure. When we follow Him...

Your generous giving offered hope and support to our house, community and state during a year where it was needed more than ever. Even during a pandemic, the Pinelake family chose to serve others and provided new opportunities for us to reach Mississippi. Together let's continue to Be The Church in 2021.

**YOUR GENEROUS  
GIVING LAUNCHES  
TRANSFORMATION  
IN OUR HOUSE,  
ACROSS OUR STATE  
AND AROUND  
THE WORLD.**
