## EVIDENCE OF LIFE CHANGE

There is so much evidence of God's movement in our church in 2019. We encountered the living King through worship gatherings, children's and student camps, mission trips, small groups and even special ministry focuses like orphan care and prison ministry. At every point, He's called our church to live out our faith with boldness. Our desire and prayer to see Mississippi changed one life change story at a time is being answered as God moves!

In March, we closed out our two-year spiritual emphasis called Making Room. As we look back, our prayer for God to make room in our hearts for the lost, hurting and broken will forever be remembered as a pivotal season for our church. Because of your connection to God through prayer, your boldness to invite your neighbors and friends, and your faith to give generously, our campuses are stronger than ever. Thank you for your faithfulness!

This year has also marked an amazing season of investment in our NextGen ministries through expansion of our summer camp opportunities, ministry internships and college ministry. The future is bright as we continue to make investments that ensure the growth of a new generation of spiritual leaders.

We believe the best days of our church are ahead of us! Being a follower is always about looking forward, and God is faithful to His promise to keep us and grow us as we humble ourselves before Him. In 2020, we hope to see spiritual growth through new equipping and discipleship resources, as well as the launch of a new gathering in the Florence area. We are also making preparations to begin construction on a permanent home for our Oxford campus.

At the back of this booklet, you'll find our planned budget for 2020. As you look at the numbers, please pray for the lives that they represent. Your generosity is making a difference in people all over Mississippi and beyond.

## THANK YOU FOR MAKING ROOM

In 2019, we completed our 24-month commitment known as Making Room. Thanks for your faithfulness in making room in your hearts and lives for others. Over the last two years, we've added services and new worship environments to create seats for everyone you invited. And there continue to be stories of lives changed because someone made room in their life so that they could hear about Jesus!
