

Why can't you trust yourself to always make the wise choice?

DAY 4

Do you remember how we talked about our sinful nature back in Week 2? Because of our sinful nature, we should live every day fully trusting in God to help us make wise choices and to show us the right way to live.

Wisdom doesn't just come with age. There are plenty of people who have lived long lives, but still don't have wisdom because they never searched for it from God. *Remember, wisdom comes with a growing relationship with God as we get to know Him better through knowing His Word.* That's why He gave us the Bible. So, use it!

DIG IN DEEP, SEEKING, AND PRAYING FOR WISDOM THROUGHOUT YOUR LIFE.

WISDOM
FINDING OUT WHAT YOU SHOULD DO AND DOING IT

DAY 1

READ PROVERBS 3:5-6.

This is one of the more well-known Proverbs because it is so full of useful wisdom! Although it might sound simple, living out this verse can be harder than you think.

It says to trust in the Lord with ALL your heart. Not most of your heart, but ALL your heart. It also tells us not to depend on our own understanding. That means we shouldn't be overconfident that we always have the right answer to things. God can see the big picture much better than we can. The kicker comes in the next line, "In ALL your ways obey Him." Yikes!

The reward at the end makes it worth it though, doesn't it? "He will make your paths straight."

FROM GOD

DAY 2

Praying Bible verses back to God is a great skill to work on as you grow in your faith.

Let's turn Proverbs 3:5-6 into a prayer:

"Dear Father, help me to trust in you with all my heart. Don't let me only see life through my own eyes, but help me to see things the way You see them. Give me the strength and courage to obey You in every situation I face. Make Your will for me clear and make my paths straight as I follow You every day. Amen"

TO GOD

DAY 3

Wisdom is something that a lot of us gain as we go through life. We learn through experiences, other people, and our own relationship with Jesus. Being young doesn't mean you have to wait to start growing your wisdom! Take some time to talk about all you've learned about wisdom this month. Then, think about and discuss how you will continue to seek wisdom.

Choose a trusted adult to talk with today about what you've been learning about wisdom.

Is there anything going on in your life that you could use wisdom from God to help you with?

SHARE IT AND ASK HIM/HER TO PRAY WITH YOU.
